INTEREST CHARGE COMMISSION

FIRST ALABAMA BANK
COMMERCIAL LOANS ONLY
SECURITY AGREEMENT, GOODS AND EQUIPMENT
(ROLLING STOCK)

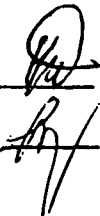

Date: July 2, 19 91

See Attached Schedule "A"

(NAME OF DEBTOR) (STREET ADDRESS) (CITY AND STATE)

hereinafter called "Debtor" whether one or more, hereby grants to First Alabama Bank of Dothan,

Alabama, hereinafter called "Bank," a security interest pursuant to the Alabama Uniform Commercial Code in and to the following described property: All of the railroad locomotives and railcars described on Schedule "B" attached hereto.

 together with all similar property hereafter acquired, all proceeds, increases, parts, fittings, accessories, accessions, equipment, special tools, renewals and replacements of all or any part thereof and other goods of the same class, which property is hereinafter collectively referred to as "Goods," including any monies payable under, or returned or unearned premiums on, any physical damage insurance on the goods, or credit or disability insurance provided for hereunder/Debtor is not authorized to sell or dispose of collateral without Secured Party's written consent and all of the same shall be kept at Debtor's address shown on this Agreement unless authorized in writing by Secured Party to the contrary. This security interest is granted to secure the performance and payment of Debtor's obligations hereunder, including the payment as and when due of Debtor's promissory note or notes executed pursuant to this Security Agreement, including future advances.

Debtor warrants that he is owner of the collateral, clear of all liens and security interests, except the security interest granted at the time of the current advance, and that the goods are bought, and/or used, primarily for business purposes and not for personal, family, or household purposes.

☐ If checked, the collateral is being acquired by the Debtor with the proceeds of the note which will be used for no other purpose. Debtor hereby authorizes Bank to disburse said proceeds to the seller of the collateral. The security interest is of a "purchase money" nature.

If collateral is to be wholly or partly affixed to real estate or other goods, a description of the real estate or other goods is as follows: _____

and the name of the record owner of such real estate or other goods is _____

Debtor agrees to maintain said collateral in good condition, ordinary wear and tear accepted, and to insure the same against loss or damage by fire, theft and all expected risks to which the same may be exposed or which Bank may designate, in a reliable insurance company satisfactory to Bank with a loss payable clause in favor of Bank. Debtor assigns to Bank all right to receive proceeds of insurance not exceeding the unpaid balance under the note, directs insurer to pay all proceeds directly to Bank, and authorizes Bank to endorse any draft for the proceeds. Should Debtor fail to procure or to continue said insurance, the entire amount owing shall, at the option of Bank, become due and payable, or Bank may, but is not required to, procure the insurance desired, and any premiums paid by Bank shall become part of the debt secured hereby and shall become immediately due and payable. The collateral

will be kept at See Attached Schedule "A" ; and Bank may inspect

the same at any time. Said collateral will not be sold, transferred or disposed of or be subjected to any unpaid charge, including taxes, or to any subsequent interest of a third party created or suffered by Debtor unless Bank consents in advance in writing to such charge, transfer, disposition or subsequent interest. Debtor will sign and execute, alone or with Bank, any financing statement or other document or procure any document and pay all connected costs and expenses necessary to protect the security interests under this Security Agreement against the rights or interests of third persons, and Debtor will reimburse Bank for any action taken by it or on its behalf to remedy any default hereunder, including expenses of retaking, holding, preparing for sale and selling the collateral; the payment of reasonable attorney's fees and any other expenses of collection, plus interest thereon at the same rate provided for in the note evidencing the transaction.

 *Any misrepresentation or misstatement in connection herewith, any non-compliance with or non-performance of any of Debtor's obligations or agreements hereunder, bankruptcy or insolvency proceedings instituted by or against Debtor and any assignment for the benefit of creditors by Debtor shall constitute default under this agreement. In the event of default, Bank may exercise its rights of enforcement under the Uniform Commercial Code of Alabama as now or hereafter in effect, and in conjunction with, addition to or substitution for those rights at Bank's discretion may enter upon Debtor's premises to take possession of or require Debtor to make the collateral available at some

convenient place Bank designates, to enable Bank to take possession or dispose of the collateral. Bank may, at its sole option, waive or remedy any default without waiving the default remedied and without waiving any other prior or subsequent default. In the case of a default where Bank has taken possession of the collateral and where Bank is required to give notice as to when the collateral will be sold, Bank hereby agrees to give the debtor five days advance notice of said sale or disposition of collateral in writing. In the event of any default hereunder, debtor is liable to Bank for any deficiency and shall be entitled to any net surplus that may arise from the sale or other collecting from the collateral hereunder. In the event the secured party shall deem itself or the above chattel(s) insecure, then, and in any of said events, all indebtedness hereby secured shall become immediately due and payable.

The property described in this security agreement likewise becomes security for the payment of any and all other liability or liabilities of the undersigned to Bank whether the same be now existing or hereafter contracted, now due, or hereafter to become due, whether contracted directly with the owner or holder, or whether Bank acquired by assignment or otherwise from another, and whether said liability be absolute or contingent, joint or single or both. ~~In the event of default or insolvency by Debtor, Bank is authorized to apply to the debt secured hereby any funds in Bank belonging to Debtor and to any surety or guarantor hereof.~~

Debtor covenants and agrees that all information supplied and statements made by him in any financial or credit statement or application for credit prior to this security agreement are true and correct; that no financing statement covering the collateral or its proceeds is on file in any public office; that except for the security interests granted in this security agreement there is no adverse lien, security interest or encumbrance in or on the collateral covered hereby; that the addresses of Debtor's residence or place or places of business, if any, are those appearing below his signature. Debtor will immediately advise Bank in writing of any change in the Debtor's residence or business address, and in the case where the collateral is used for business purposes, to advise Bank of any new place of business. If more than one Debtor executes this Security Agreement, their obligations hereunder shall be joint and several.

The term "Debtor" as used in this instrument shall be construed as singular or plural to correspond with the number of persons executing this instrument as Debtor. The pronouns used in this instrument are in the masculine gender but shall be construed as feminine or neuter as occasion may require. "Secured Party" and "Debtor" as used in this instrument includes the heirs, executors or administrators, successors, representatives, receivers, trustees and assigns of those parties.
